

FLORIDA CHAPTER, AMERICAN FISHERIES SOCIETY
ROGER ROTTMANN MEMORIAL SCHOLARSHIP
APPLICATION

The Florida Chapter of the American Fisheries Society (FLAFS) will award two scholarships to deserving graduate students (\$1,000 for Masters and \$1,000 for PhD) who are majoring in a field of study directly related to freshwater or marine fish biology, fish ecology, fisheries management or aquatic sciences. The Chapter reserves the right to withhold the awarding of one or both scholarships if no qualified candidates apply.

Applications for these scholarships must be received by March 1st. Send application materials to:

Dan Nelson, Chair
FLAFS Scholarship Committee
Email: Daniel.Nelson@MyFWC.com

- 6) Service to community (Arbor Day plantings, conservation projects)
- 7) Past AFS involvement
- 8) Other professional activities

HOW/WHY DID YOU GET INTO THE FIELD OF FISHERIES & AQUATIC SCIENCES?

DESCRIBE YOUR CURRENT RESEARCH (ESSAY REQUIREMENT #1):

As part of the application package, **each applicant must submit a 500 to 1,000-word, typed essay** which highlights your current research. The essay should include information about yourself (name, university and/or lab, short bio) and information about the research you are completing. You may include photos and captions within the text, along with any references. Should you be the recipient of this award, your essay will be published in the Student Highlight section of the FL AFS Chapter Newsletter, The Shellcracker. To see examples of previous Student Highlights, visit: <https://units.fisheries.org/fl/newsletter/>.

WHAT ARE YOUR CAREER GOALS?

WHAT DO YOU INTEND TO DO WITH THE SCHOLARSHIP MONEY SHOULD YOU BE THE RECIPIENT?

REFERENCES: (Two letters of recommendation must be submitted on your behalf. Please list your references below. Use FLAFS recommendation forms)

NAME	ADDRESS	PHONE/E-mail
_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____

ESSAY REQUIREMENT #2:

As part of the application package, **each applicant must submit a 500 to 1,000-word, typed essay** which explains the applicant's views or philosophy on the role of fisheries scientists in managing Florida's aquatic resources.
