TO: Trout Committee Members and Guests

FROM: Donley M. Hill, Chairman

SUBJECT: TROUT COMMITTEE ANNUAL WORKSHOP MEETING

After consulting with as many of the Committee members as I could contact by telephone, June 4-7 appears to be the best time for the annual workshop meeting. We will operate out of the aesthetically-pleasing Norris Dam State Park. Rustic cabins complete with fireplaces and kitchen facilities have been reserved. Cost will run about \$20 per person, and you may arrive early or stay late (June 3-9) at no extra cost.

Attached are a map of the Norris area and an agenda for the meetings. If you can let me know of your intentions by May 24, I will appreciate it. I will arrange transportation from the airport for anyone who needs it.

Attend if you can!
