In 500 words or less, please describe this person's achievements in fisheries science during their career and why they are deserving of the lifetime achievement award. (Use additional paper if necessary.)

If this nominee is selected for the award, will you be willing and present to present the award at the TNAFS Annual Meeting & Awards Banquet?

If not, is there someone else who you think would be willing to present this award?

If so, please be prepared to share information provided in this application during the presentation of the award.

Please submit applications to the Awards Chair (Will.Collier@tn.gov) no later than January 31.
